my bathroom

ASHLEY WILSON, ATHOMEWITHASHLEY.COM

"When you live with a dated bathroom for nine years, brushing your teeth in the new space is a *treat*, especially when you love how it turned out. There's the contrast of classic elements—white subway tile, brass accents, and a penny tile floor—with that wild floral wallpaper."

art
Son Art by Lori Wemple 5" x 7" unframed print, $21, minted.com
