Monet’s Garden at Giverny and an oil painting class are on the list when we stay at a Chateau overlooking the Seine in the Countryside, but make no mistake...we will be enjoying Paris also! Shopping at the world-famous Marche Puces Antique Flea Market and visiting the Musée Nissim de Camondo are on the agenda-and there will be free time for strolling along the Champs-Élysées, a picnic near the Eiffel Tower and any of those other iconic Parisian sites! Food, drink and good company are always plentiful.
